

Kian Foshee

Software Engineer | Founder | Research Contributor

Los Angeles, CA | kianfoshee@gmail.com | 469-493-8999 | [LinkedIn](#) | kianfoshee.com

PROFILE

Software engineer and founder building grid infrastructure software at [Meridian](#). Experience shipping production AI systems and contributing to economic-mobility research at Opportunity Insights. Grew a consumer company to \$50K+ in revenue.

EDUCATION

University of Southern California

Los Angeles, CA

Freshman | Artificial Intelligence (B.S.)

St. Mark's School of Texas

Dallas, TX

Class of 2026 | 4.3/4.0 GPA

TECHNICAL SKILLS

Engineering	JavaScript, TypeScript, React, Next.js, Node.js, PostgreSQL
Data	Python, R, SQL, data pipelines, statistical analysis, visualization
AI & Automation	Vapi, ElevenLabs, Telnyx, voice agents, workflow automation
Research	Reproducible analysis, data validation, literature review, research writing

EXPERIENCE

[Meridian](#) | **Founder**

2026–Present

Grid infrastructure software for large flexible electricity loads

- Building software to help data centers and other flexible loads connect to the grid faster by reducing demand during periods of constrained local capacity.
- Developing the operating layer to translate available grid capacity into coordinated, dispatchable load flexibility.

Opportunity Insights | **Research Contributor**

Harvard University | Matt Staiger and Jamie Fogel | [SSRN profile](#)

- Built reproducible R pipelines and produced **50+ research artifacts** supporting two papers on entrepreneurial exposure and intergenerational mobility, including data cleaning, validation, analysis, and visualization.

Concord Pools and Spas | **AI and Automation Engineer**

2025–2026

Albany, NY | Multi-million-dollar retail and installation business

- Built a production customer-service voice agent, automated accounts payable and inventory tracking, and developed a predictive service-demand system using **14,000 installation records**.

Supreme Pickle | **Founder**

2021–2023

Direct-to-consumer sporting-goods company

- Founded and grew the company to \$50K+ in revenue, **40K+ followers**, and **100M+ views**, achieving Amazon **#1 Best Seller** status and USAPA approval.

HONORS

- **World Economics Cup**: Individual Top 10 and Team 4th, World Finals (47 countries; 2,500+ competitors).
- **Harvard Pre-Collegiate Economics Challenge**: Team 3rd Place and Individual High Distinction.
- **Northwestern Economics Tournament**: 2nd Place (52 teams).
